

## Results from Training-of-Educators (TOE)

### Strategy

Foundations is a national model for training teachers to implement high-quality sex education that is:

- ✓ Comprehensive
- ✓ Developmentally appropriate
- ✓ Sex positive
- ✓ Sensitive and inclusive of all learners
- ✓ Facilitated by skilled, experienced educators
- ✓ Aligned with the National Sexuality Education Standards

### Geographic Distribution of Training Participants, 2017 – 2019

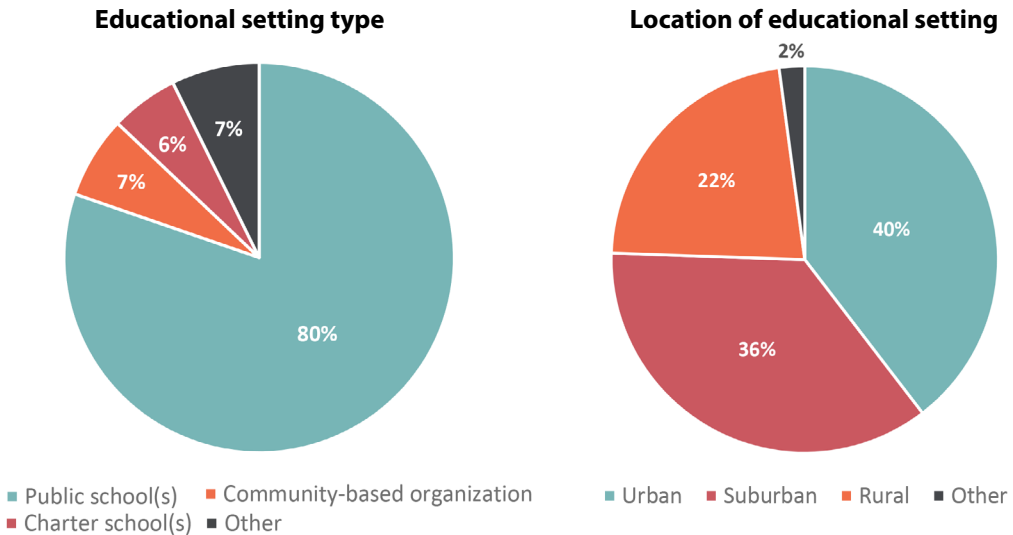

More than half of post-assessment responses came from CA and WA.

## Reach

Teachers were from diverse educational setting types and locations

## Impact

Universally, participants reported improvements in the key skills featured in Foundations trainings

Implement three strategies to create a safe and supportive learning environment for teaching sex education

Apply state and local sex education policies where I work

Identify and address values-based statements and questions

Recognize and make decisions about personal self-disclosure when facilitating sex education

Respond to challenging questions and harassing comments

Use the experiential learning cycle (what, so what, now what) when processing sex education activities
